Kate and D	ella,	
I just wanted to confirm that you received the summons for the 5/14/12. I anticipate that this will be a trial and that we will begin empanelment on the 14 th . With that said, I don't believe we will actually begin testimony until the 15 th . I expect that you won't be needed until sometime mid morning on the 15 th or first thing on 16 th . I have typically used an "on call" system with other chemists and am happy to do so in this case. Please let me know what works best for you. Also, if you have standard questions that you would like me to use, please feel free to send those to me. If you have any questions or concerns, please don't hesitate to call me at (781) 897-8923.		
		Thanks,
Gina
